My colour woodcuts to Stefan Zweig were used for illustrations by M&L Europe Editions in Le Havre, France.

#### Sortie de "Stefan Zweig: la débâcle des sentiments"

A l'occasion de l'anniversaire de la mort de l'auteur,- celui-ci s'était suicidé avec sa seconde femme le 22 février 1942 -M&L Europe Éditions sort un essai sur Stefan Zweig, celui qui avait adopté avant tous la nationalité européenne. L'homme aux multiples facettes a su se forger un rôle dans cette Europe littéraire qui voyait naître en même temps que lui, nombre de brillants esprits. One of my etchings to "Der Prozess" (The Trial) by Franz Kafka illustrates the article "responsibility" by Prof. Dr. Michael Pauen in the "Humboldt-Spektrum" published by the Humboldt University in Berlin.

This issue of the research magazine stands in the context of the 200th anniversary celebrations of the Humboldt University.

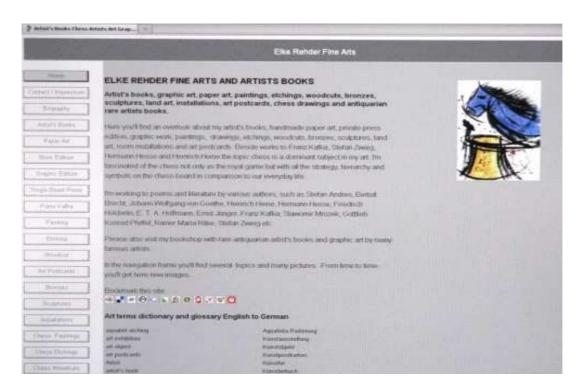

Humboldt-Spektrum double issue 2-3/2009 ISSN 0946-641X 144 pages
